FIRM OVERVIEW

Kingswood Capital Management, LP (“Kingswood” or the “Firm”) is a private investment firm primarily focused on investing in leading middle market companies which stand to benefit from our capital and extensive operating resources. We embrace complexity and are well-positioned to support businesses at inflection points in their development to drive durable value. The Firm brings relevant industry relationships and a broad network of internal and external operating resources to strengthen businesses and enhance value for all stakeholders.

Based in Los Angeles, Kingswood is a cohesive team of senior professionals from industry leading private equity firms with a history of success. Kingswood currently has approximately \$3.0 billion of capital under management and is investing out of its third institutional fund which was oversubscribed and held a final close in July 2024 above its hard cap with approximately \$1.5 billion of capital commitments.

OUR PHILOSOPHY

Kingswood utilizes its focus on flexibility and collaboration to tailor solutions that maximize value for all constituents. The Firm’s investment philosophy is to partner with founders, families, and management teams to create long-term, sustainable value for businesses. Kingswood is committed to carefully and thoroughly evaluating opportunities in an expeditious manner.

The Firm applies world class operators and subject matter experts to each opportunity with a focus on operational excellence and business improvements beginning pre-closing and continuing with active involvement throughout the investment period.
